Ring Size Guide

* To determine your ring size, print this page at 100% or full scale. Make sure the "Scale to fit" option is unchecked in the print dialogue box.

1. Select a ring you already own that perfectly fits the finger on which you will wear your ALOR ring.
2. Align your ring with the circle below that most closely matches in size. The inner edge of your ring should align with the outer edge of the circle (outer edge of circle should be visible with no white space between inner edge of ring).
3. If your ring appears to be between two sizes, we suggest you choose the larger size.
